

## Communication Notes

Check the Broncos Website ([www.cgbbroncos.com](http://www.cgbbroncos.com)) for news, schedules, updates, directions, etc.

The Broncos will be using a service called "Rained Out" to inform you in the event that practice and/or a game is changed or cancelled due to inclement weather or for other reasons. You will be sent a text message to notify you. Occasionally, additional informational messages (important dates, etc.) may be sent as well. Please visit the Broncos website to sign up for this service- we cannot do this for you. Look for the Rained Out Link on the home page. Click on that link and you will be asked to create an account. You will be asked to provide your cellular phone number and will be prompted through a series of steps. You will receive a validation code via text message to activate your account. If you have previously signed up for this, you will not need to sign up again. Keep in mind that this is separate from any Rocket Football information you may receive via text message.

It is important that we have current contact information on file to keep you informed and is helpful if you can provide both a phone/e-mail contact.

**\*Please provide an e-mail address that will be the most efficient for you to receive news and information** ( i.e., don't give me your home e-mail if you only check your work e-mail). I create group e-mails by grade and communicate information this way- you will receive e-mails from "broncofootballmom@yahoo.com". It is important that I have current contact information to keep you informed of Broncos news. I can assure you that I will not forward jokes or other spam-type e-mails. I would also ask that you don't forward mass e-mails back to me as this is how viruses are spread. Failure to comply may result in being removed from the e-mail group. As e-mail addresses are often case/character sensitive, please print clearly. Thank you!
